Fraser, Ltd. continues to meet the needs of children, youth, and adults. Our dedicated and caring staff serves over 2,200 individuals in our four major programs with the shared mission: "Supporting children, youth, and adults on their life's journey towards independence".

CHILDREN'S SERVICES

Fraser's Child Care Center is an all inclusive licensed facility for children ages 6 weeks to 12 years of age. The center provides a safe and healthy environment, flexible full and part-time options.

TRANSITIONAL YOUTH SERVICES

There are three unique youth programs under Transitional Youth Services; Stepping Stones Resource Center (SSRC), Transitional Living Program, and Permanent Supportive Housing. The overall program goals are to fill the need for sheltering and housing options, basic needs, life skills, education, and advocacy services for transitioning young adults ages 16-26 who are homeless or at risk of being homeless.

ADULT SERVICES

Our adult services focus on the needs of those 18 and older with intellectual and developmental disabilities. We currently have 10 licensed and accredited residential homes.

VALLEY HOPE COUNSELING SERVICES

Our counseling center provides confidential outpatient mental health services in a comfortable atmosphere, for all ages, individuals, couples, and families. Our outpatient mental health therapists specialize in a variety of therapy approaches.
